## A MESSAGE FROM OUR Teachers

### BEHAVIOUR EXPECTATIONS, ATTENDANCE AND LATENESS

We would like to congratulate the students on the improvement of their attitude and commitment towards their learning at school. At Bogdan Bolta, we set a positive and supportive learning environment that is differentiated to suit the needs of the students. Recently, we've had some minor concerns about attendance and lateness to class. Please be mindful that if you arrive 15 minutes after the lesson has

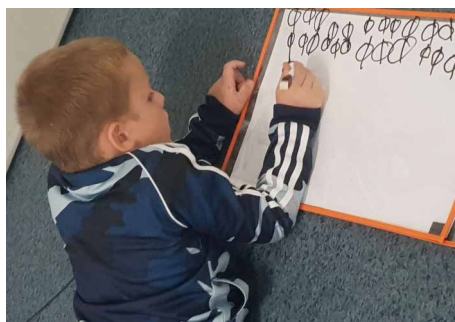

already started, you may not be able to join the class. Late attendance disrupts the learning and most often your child has already missed the key component of the lesson.

All students need to be prepared for the lessons with their books, homework completed and pencilcases equipped for learning.

### HELPING YOUR CHILD WITH LEARNING

We would love to be able to teach your child each and every day of the week, but unfortunately we are limited in time. Therefore, we kindly ask that parents, grandparents or even aunts and uncles assist with revising the work from class. It only takes 10-20 per day

with revising letters, writing words and reading simple sentences from their workbooks. Your help is greatly appreciated and will benefit your child in the long run as they become confident speakers, readers and writers in the Serbian Language.

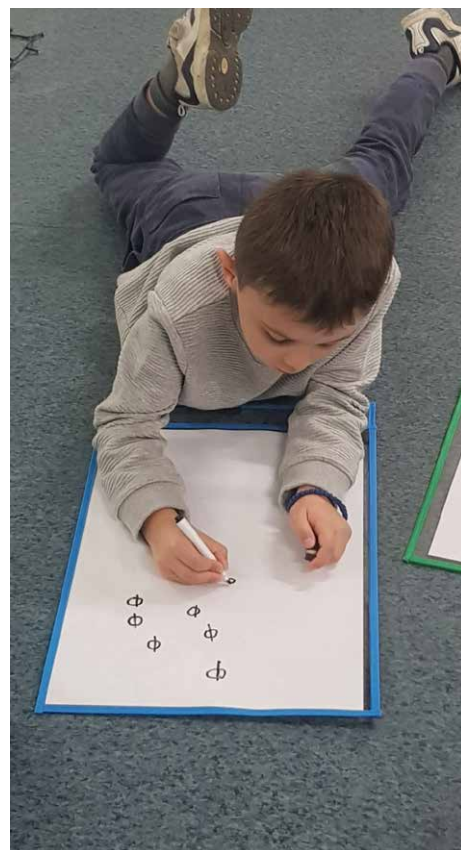

### FUNDRAISING

Thank you to all of our families who contributed and supported our Mother's Day Stall. We raised over \$500 which was an extraordinary amount. These funds will be used to purchase resources for our school to better the learning opportunities of our students.

Thank you to Angela and Neville for running the stall and to the mums who helped set up at the beginning. You are all amazing and we are grateful for your support.

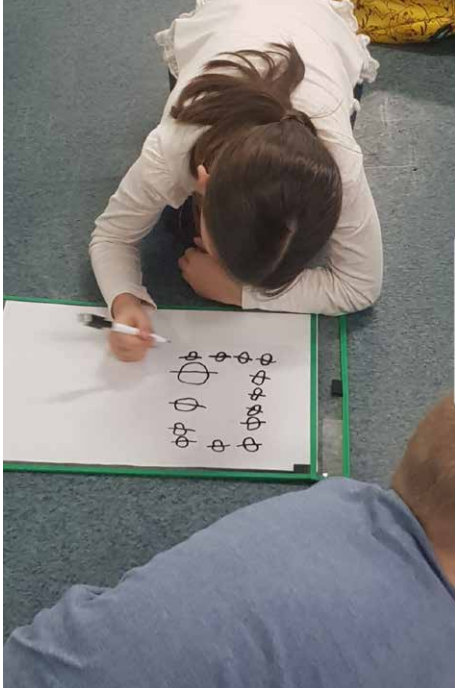

### SCHOOL FEES

Term 2 school fees are to be paid by the end of May. If you are having difficulty in making these payments, please see Vera who will happily discuss some payment options.
